DETAILED ACTION

Requirement for Information Under 37 C.F.R. § 1.105

1. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

2. The information is required to identify products and/or services embodying the disclosed subject matter of a method for identifying uninsured motorists. The Examiner upon conducting a search for prior art, discovered a web site for Orthosesame.com (a copy of the information is attached to this request). The web site discloses a product called Orth Sesame that web-integrates legacy orthodontic databases. The article indicates the product was available to the public in 1999. Furthermore, the web site discloses that beta testing of the product was completed in 1999. In response to this requirement please provide any known publications, brochures, manuals and press releases that describe the Ortho Sesame product or service that is described by the Orthosesame web site and specifically what product or service was marketed or developed in 1999 that was the subject of the web site disclosure.

Art Unit: 3626

3. The fee and certification requirements of 37 C.F.R. § 1.97 are waived for those documents submitted in reply to this requirement. This waiver extends only to those documents within the scope of this requirement under 37 C.F.R. § 1.105 that are included in the applicant's first complete communication responding to this requirement. Any supplemental replies subsequent to the first communication responding to this requirement and any information disclosures beyond the scope of this requirement under 37 C.F.R. § 1.105 are subject to the fee and certification requirements of 37 C.F.R. § 1.97.

4. In responding to those requirements that require copies of documents, where the document is a bound text or a single article over 50 pages, the requirement may be met by providing copies of those pages that provide the particular subject matter indicated in the requirement, or where such subject matter is not indicated, the subject matter found in applicant's disclosure.

5. The applicant is reminded that the reply to this requirement must be made with candor and good faith under 37 CFR 1.56. Where the applicant does not have or cannot readily obtain an item of required information, a statement that the item is unknown or cannot be readily obtained will be accepted as a complete response to the requirement for that item.

Art Unit: 3626

6. This requirement is subject to the provisions of 37 C.F.R. §§ 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

7. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Kalinowski, whose telephone number is (703) 305-2398. The examiner can normally be reached on Monday to Thursday from 9:00 AM to 6:30 PM. In addition, the examiner can be reached on alternate Fridays.

Art Unit: 3626

If any attempt to reach the examiner by telephone is unsuccessful, the examiner's supervisor, Joseph Thomas, can be reached on (703) 305-9588. The fax telephone number for this group is (703) 872-9306 (for official communications including After Final communications labeled "Box AF").

Hand delivered responses should be brought to Crystal Park 5, 2451 Crystal Drive, Arlington, VA, 7th Floor, receptionist.

A handwritten signature in black ink, appearing to read "Alexander Kalinowski", with a large, sweeping flourish at the end.

Alexander Kalinowski

Patent Examiner

ABOUT US

Pt Interactive, Inc., pioneered online patient communications for the dental market in 1999 with its proprietary Ortho Sesame technology that web-integrates legacy orthodontic databases. The company fields the strongest team of experts in dental database conversion in the world.

Patent-pending Ortho Sesame is the proven, comprehensive interactive web site and automated e-mail ASP solution for orthodontists. It eliminates no-shows, saves staff time, and helps orthodontists develop better relationships with their patients by vastly improving the quality of communications. Over 100,000 orthodontic patients are actively enrolled in the Ortho Sesame service.

We're the proven online patient communications company. We did our beta testing four years ago. Other companies have tried to copy Ortho Sesame's popular service, without success. Only Ortho Sesame integrates all your online needs into a complete multi-dimensional package, the choice of discriminating orthodontists since 1999.

Pt Interactive welcomes partners as we make this popular service available to other medical/dental specialties.

Don't wait! Put Ortho Sesame to work for your practice today. Call us at 1 (877) 633-5193 or email sales@orthosesame.com.
